

International Institute of Information Technology, Hyderabad
A Research University

To,
The Secretary,
Rishi Group of Colleges,
Nizampet, Hyderabad

Dear Sir/Ma'm,

Sub: Regarding student participation in cognitive science experiments

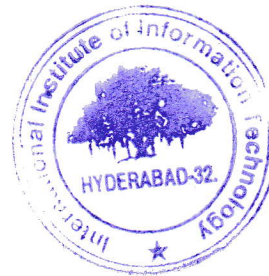

I am writing this letter to request permission to conduct cognitive science experiments at your institution. My students, Anuj Shukla (PhD, Cognitive Science) and Krishn Bera (MS) are working on time perception and sequence learning research and would like to conduct some related experiments by running experiments on a few participants. Therefore, we seek participation from the students at your institution. We would be grateful if you allow us to conduct these research activities and encourage your students to participate.

While participating in this research, the students will get know about cognitive science as a field in general and also about ongoing research projects at Cognitive Science Lab, IIIT-Hyderabad and further collaboration.

We hope to seek your cooperation regarding the same as this would greatly help in our research activity.

Thanks and best regards,

Dr. S. Bapi Raju
Professor, Cognitive Science Lab,
Gachibowli, IIIT-Hyderabad
(Seal of Institute)
